APRIL 2023

THE YEAR OF OUR CENTENNIAL

# IT'S OUR YEAR

The month of our 100th anniversary is finally here. The wait and anticipation is almost over... We have already had huge announcements released, but you can find a full itinerary in this newsletter! We want to invite everyone (and we mean everyone) to join us in this year long celebration by having some extra fun in the month of April as we recognize our incorporation back in 1923. Don't forget that this is in fact, a once-in-a-lifetime event, and we have been planning and working behind the scenes to ensure that it showcases just that. We can guarantee several days of family fun and celebration as we recognize our city's rich history and music magic. And of course we are still rocking with our amazing centennial designs that can be found on a variety of merchandise to your right and below.
