

# THE CITY OF MUSCLE SHOALS

2022 HOLIDAY EDITION

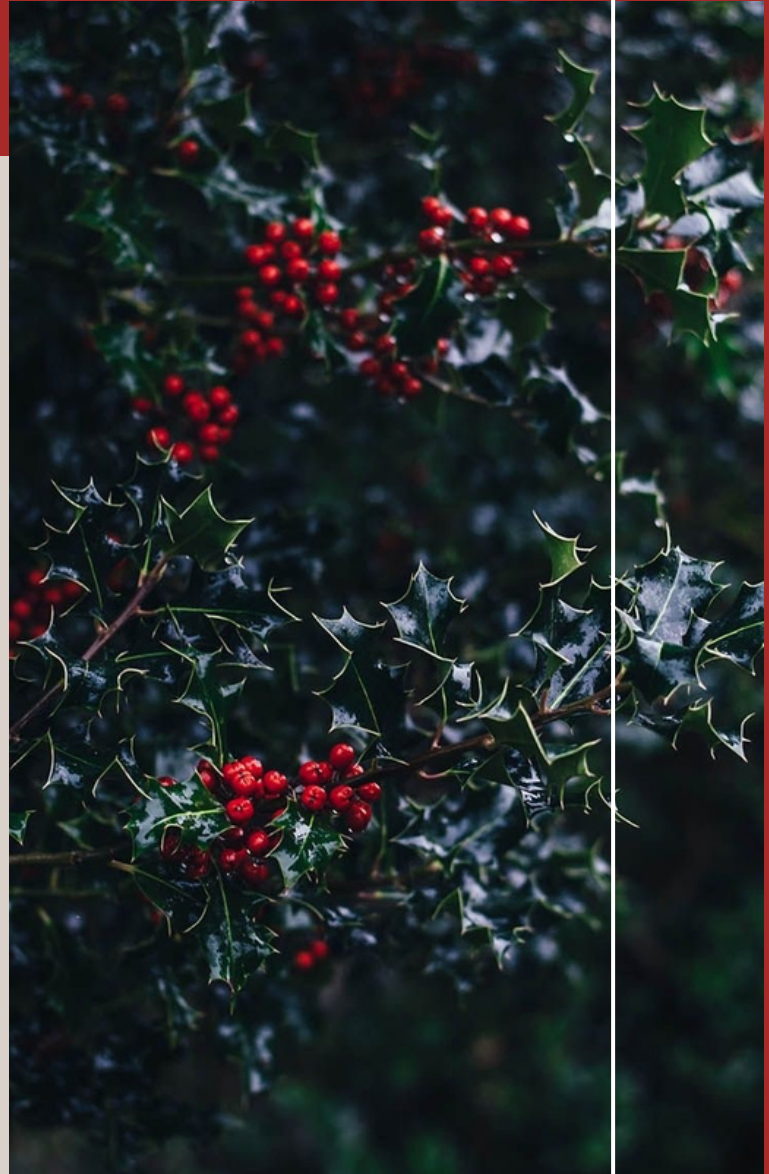

## 'Tis the Season

The time of year has finally come when the holiday spirit circulates through the city. The small details are what make it feel most like Christmas. Snowflake lights above, ornament filled pine trees, warm fireplaces to ease the winter air...

This season also brings new beginnings. We reflect on the previous year and prepare for a fresh start with new goals in mind and plans to achieve them.

As a community, support through each season is so important. This is what gives us the feeling of family.

In recognition to our Trojan family specifically, we are so proud of this football season and the team that led it to reach the semifinals. This group of guys made history, and we applaud their hard work and determination.

# Holiday Celebrations

The City of Muscle Shoals was able to welcome the month of December with our 20th Annual Christmas Parade sponsored by Bank Independent. To all who participated, eagerly watched, and diligently worked: Thank You! This year's parade was one to remember.

Congratulations to the float winners: (1st) Colbert County 911, (2nd) Muscle Shoals Eye Center, (3rd) Coldwater Landscapes, as well as the 5th grade essay contest winners: (1st) Camille Coker, (2nd) Kameron Schuilte, (3rd) Sadie Kelley.

Our parade would not be possible without everyone pulling together to make it happen. Though we are a city who progresses, we do value tradition, and the parade has been one of this city's biggest traditions - one that we have and will continue to cherish.

**Wishing everyone a  
Merry Christmas &  
Happy New Year**

# Updates For Our Community

## *Comprehensive Plan Underway*

The Economic Development and Advisory Committees attended the city's Comprehensive Plan meetings and discussed the direction our future is headed in. We had student visitors from Muscle Shoals High School that were able to give their input as well. These meetings were very engaging, and we can confidently say the development of Muscle Shoals is a priority to its citizens. Be aware of upcoming announcements concerning opportunities to attend public Comprehensive Plan meetings. We encourage your participation and appreciate everyone who has been involved thus far!
