(i) The Warrants shall initially be issued pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of any Warrant to any person. One Warrant for each maturity of such series will be issued, registered in the name of the Securities Depository Nominee, and immobilized in the custody of the Securities Depository. Beneficial ownership interests in Warrants held by the Securities Depository may be purchased by or through Direct Participants. The holders of these beneficial ownership interests in such Warrants are referred to as the "Beneficial Owners." The Beneficial Owners will not receive certificated warrants representing their beneficial ownership interests. Ownership of the interests in Warrants in Authorized Denominations will be evidenced on the records of the Securities Depository and the Direct Participants and Indirect Participants pursuant to rules and procedures established by the Securities Depository. During a period in which the Book-Entry System is in effect for the Warrants, the Municipality and the Depository shall treat the Securities Depository or the Securities Depository Nominee as the only registered owner of such Warrants for all purposes under the Ordinance, including, without limitation, receipt of all principal of, premium (if any) and interest on the Warrants, receipt of notices, voting, and requesting or directing the Depository or Municipality to take or not to take, or consenting to, certain actions under the Ordinance. In the event the Securities Depository or the Securities Depository Nominee assigns its rights to consent or vote under the Ordinance to any Direct Participant or Indirect Participant, the Municipality and the Depository shall treat such assignee or assignees as the only registered owner or owners of the Warrants of such series for the purpose of exercising such rights so assigned.

The Securities Depository and the Direct Participants and the Indirect Participants shall be responsible for the disbursement of such payments to the Beneficial Owners. All such payments to the Securities Depository or the Securities Depository Nominee, as Holder, of principal of, and interest on such Warrants on behalf of the Municipality or the Depository shall be valid and effectual to satisfy and discharge the liability of the Municipality and the Depository to the extent of the amounts so paid, and the Municipality and the Depository shall not be responsible or liable for payment to any Beneficial Owner by the Securities Depository or by any Direct Participant or by any Indirect Participant, or for sending transaction statements or for maintaining, supervising or reviewing records maintained by the Securities Depository or Direct Participants or Indirect Direct Participants.

(iii) Transfers of ownership interests in the Warrants by the Beneficial Owners thereof, and conveyance of notices and other communications by the Securities Depository to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners of the Warrants, will be governed by arrangements among the Securities Depository, Direct Participants, Indirect Participants and the Beneficial Owners, subject to any statutory and regulatory requirements as may be in effect from time to time. For every transfer and exchange of beneficial ownership in such Warrants, the Beneficial Owners may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

(iv) Redemption notices respecting Warrants held by the Securities Depository shall be sent to the Securities Depository Nominee by the Depository.

(v) In the event that the Securities Depository ceases to act as the securities depository for the Warrants, the Municipality shall discontinue the Book-Entry System for such Warrants. If the Municipality fails to appoint another qualified securities depository to replace the then acting Securities Depository, the Municipality will cause the Depository to authenticate and deliver fully registered certificated Warrants to each Beneficial Owner in evidence of the ownership interests thereof. The Securities Depository shall provide a list of Warrantholders with addresses to the Depository. If the Book-Entry System is discontinued for the Warrants, payments to, and transfers of such Warrants by the Beneficial Owners shall be governed by the provisions set forth in this Ordinance with respect thereto.

(vi) The Municipality may enter into a custody agreement with any bank or trust company serving as Depository (which may be the Depository serving in the capacity of Depository) to provide for a Book-Entry System or similar method for the registration and transfer of the Warrants.

(vii) During a period in which the Book-Entry System is in effect for the Warrants in accordance herewith, the provisions of this Ordinance and such Warrants shall be construed in accordance with the Letter of Representations and to give full effect to such Book-Entry System.

(viii) The Beneficial Owners of the Warrants, by their acquisition of any beneficial interest in a Warrant or Warrants, and the Securities Depository, the Securities Depository Nominee, and all Direct Participants and all Indirect Participants, severally agree that the Municipality and the Depository shall not have any responsibility or obligation to any Direct Participant or any Indirect Participant or any Beneficial Owner with respect to (1) the accuracy of any records maintained by the Securities Depository or any Direct Participant or any Indirect Participant; (2) the payment by the Securities Depository or any Direct Participant or any Indirect Participant of any amount due to any Beneficial Owner in respect of the principal of, premium (if

any) and interest on the Warrants; (3) the delivery or timeliness of delivery by the Securities Depository or any Direct Participant or any Indirect Participant of any notice due to any Beneficial Owner which is required or permitted under the terms of the Ordinance to be given to Beneficial Owners; or (4) any consent given or other action taken by the Securities Depository, or the Securities Depository Nominee, as owner.

(d) Discontinuation of Book-Entry System; Registration; Transfer and Exchange of Warrants; Replacement of Lost, Destroyed or Stolen Warrants.

(i) The Warrants may be issued in certificated form, and not pursuant to a Book Entry System, in accordance with the provisions hereof.

(ii) The Securities Depository may determine to discontinue the Book-Entry System with respect to the Warrants at any time upon notice to the Municipality and the Depository and upon discharge of its responsibilities with respect thereto under applicable law. Upon such notice and compliance with law the Book-Entry System for such Warrants will be discontinued unless a successor securities depository is appointed by the Municipality.

(iii) In the event the Book-Entry System for the Warrants is discontinued, Warrants in certificated form in Authorized Denominations will be physically distributed to the Beneficial Owners thereof and such Warrants will be registered in the names of the owners thereof on the registration books of the Depository pertaining thereto, and the Depository will make payments of principal of, premium (if any) and interest on such Warrants to the registered owners thereof as provided in the Warrants and this ordinance and the following provisions with respect to registration, transfer and exchange of such Warrants by the registered owners thereof shall apply:

(1) Each of the Warrants may be transferred by the Holder thereof or his duly authorized attorney, only on the Warrant Register upon surrender of such Warrant to the Warrant Registrar for cancellation. Upon surrender for transfer of any Warrant, the Municipality shall execute, and the Depository shall authenticate, register and deliver, in the name of the designated transferee or transferees, one or more new Warrants of any Authorized Denominations and in a principal amount equal to the unpaid or unredeemed portion of the principal of the Warrant so presented.

(2) At the option of the Holder, Warrants may be exchanged for other Warrants of the same series, of any Authorized Denomination and of a like aggregate principal amount, upon surrender of the Warrants to be exchanged at a designated corporate office of the Warrant Registrar. Whenever any Warrants are so surrendered for exchange, the Municipality shall execute, and the Depository shall authenticate, register and deliver, the Warrants which the Holder making the exchange is entitled to receive.

(3) All Warrants surrendered upon any exchange or transfer provided for in this Ordinance shall be canceled.

(4) All Warrants issued upon any transfer or exchange of Warrants shall be the valid obligations of the Municipality and be entitled to the same security and benefits under this Ordinance as the Warrants surrendered upon such transfer or exchange.

(5) Every Warrant presented or surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Municipality and the Warrant Registrar duly executed by the Holder thereof or his attorney duly authorized in writing.

(6) The Warrant Registrar shall not be required to transfer or exchange any Warrant during the period between the Record Date and the then next succeeding interest payment date; and, in the event that any Warrant (or any part thereof) is duly called for redemption, the Warrant Registrar shall not be required to transfer or exchange any such Warrant during the period of forty-five (45) days next preceding the date fixed for such redemption.

(7) If (i) any mutilated Warrant is surrendered to the Depository, or the Municipality and the Depository receive evidence to their satisfaction of the destruction, loss or theft of any Warrant, and (ii) there is delivered to the Municipality and the Depository such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Municipality or the Depository that such Warrant has been acquired by a bona fide purchaser, the Municipality shall execute and the Depository shall authenticate, register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Warrant, a new Warrant of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(8) Upon the transfer or exchange of any Warrant or the issuance of any new Warrant under this Section, the Municipality may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith; provided no charge shall be made to the Holder for any transfer or exchange of Warrants.

(9) Every new Warrant issued pursuant to this Section in lieu of any destroyed, lost or stolen Warrant shall constitute an original additional contractual obligation of the Municipality, whether or not the destroyed, lost or stolen Warrant shall be at any time enforceable by any person.

(10) The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Warrants.

(e) Registration of Warrants.

The Municipality shall cause to be kept at the designated corporate office of the Depository a register (the "Warrant Register") in which, subject to such reasonable regulations as it may prescribe, the Municipality shall provide for the registration of Warrants and registration of transfers of Warrants entitled to be registered or transferred as herein provided. The Depository is hereby appointed "Warrant Registrar" for the purpose of registering Warrants and transfers of Warrants as herein provided.

(a) Optional Redemption.

The Warrants maturing on August 1, 2025 and thereafter shall be subject to redemption, in whole or in \$5,000 multiples, prior to their stated maturities at the option of the Municipality on any date on or after August 1, 2021 at a redemption price for each Warrant (or principal portion thereof) redeemed equal to the principal amount thereof to be redeemed, plus accrued interest to the date fixed for redemption, without premium or penalty.

(b) Mandatory Redemption.

The Warrants shall be subject to mandatory redemption in set forth in the Form of Warrant in Section 5 hereof and incorporated herein by reference.

(c) Notice, Selection.

If the Book-Entry System is in effect, then redemption shall be made as herein described under the Book-Entry Only System and in accordance with the provisions of the Letter of Representation. If less than all of the Warrants are to be redeemed during a period in which the Book-Entry System is in effect for the Warrants, the Municipality shall designate the order and amount of maturities of the Warrants (or portions thereof) to be redeemed not less than 45 nor more than 60 days prior to the redemption date and, in accordance with the Letter of Representation, the Securities Depository may determine the amount of the interest of each Direct Participant in those of such Warrants to be redeemed, on the basis of the smallest Authorized Denomination of such Warrants, by lot or by such other method as the Securities Depository shall deem fair and appropriate.

If less than all of the Warrants at the time outstanding are redeemed at the time the Book-Entry System is not in effect, then any optional redemption shall be in such amount and order of maturities as the Municipality shall determine in its sole discretion. In the event that less than all of the principal of the Warrants of a maturity is to be redeemed, the Depository shall assign a number to each \$5,000 principal portion of all of the Warrants of such maturity and shall, by process of random selection based upon such numbers, select the principal portion of Warrants of such maturity to be redeemed. Notice of any intended redemption shall be given by United States registered or certified mail not less than 30 days prior to the proposed redemption date to the registered owner of each Warrant, all or a portion of the principal of which is to be redeemed, at the address thereof as it last appears on the registration books of the Depository pertaining to the Warrants. Notice having been so given and payment of the redemption price duly made or provided, Warrants (or portions thereof) so called for redemption shall cease to bear interest from and after the redemption date unless default is made in the payment of the redemption price.

This Warrant is one of a duly authorized issue of General Obligation Refunding Warrants, Series 2015-A, of the Municipality (the "Warrants") limited to an aggregate principal amount of \$8,515,000, issued pursuant to the Constitution and laws of the State of Alabama, including the provisions of Section 11-47-2 of the CODE OF ALABAMA 1975, as amended, and ordinances and proceedings of the Municipality duly held, passed and conducted (the "Authorizing Ordinance"). The indebtedness evidenced by the Warrants is a general obligation of the Municipality, and the full faith and credit of the Municipality are hereby sacredly and irrevocably pledged to the punctual payment of the principal thereof and interest thereon. In the Authorizing Ordinance the Municipality has additionally pledged and assigned, on a parity of lien with the Municipality's outstanding (1) General Obligation Taxable Warrants, Series 2015-B, dated June 1, 2015 (the "Series 2015-B Warrants"), (2) General Obligation Warrants, Series 2015-C, dated June 1, 2015 (the "Series 2015-C Warrants"), (3) General Obligation Refunding Warrants, Series 2014-A, dated January 1, 2014 (the "Series 2014-A Warrants"), (4) General Obligation Taxable Warrants, Series 2014-B, dated January 1, 2014 (the "Series 2014-B Warrants"), (5) General Obligation Refunding Warrants, Series 2014-C, dated May 1, 2014 (the "Series 2014-C Warrants") and (6) General Obligation Taxable Warrants, Series 2014-D, dated May 1, 2014 ("Series 2014-D Warrants") (collectively the aforesaid four series of 2014 Warrants are herein referred to as the "Series 2014 Warrants"), to the payment of the principal of, premium, if any, and interest on the Warrants, a sufficient amount of the privilege license and excise taxes levied against persons, firms or corporations, engaged or continuing within the corporate limits of the Municipality in the business of selling at retail or storing, using or otherwise consuming any tangible personal property whatsoever, or the business of operating places of amusement or entertainment, now being levied and collected by the Municipality, and any privilege license tax that may be levied by the Municipality in lieu of, in substitution for, or in continuation of said taxes (the aforesaid taxes referred to above are herein collectively called the "Sales Tax").

In the Authorizing Ordinance and in Ordinance No. 1039 (the "Original Ordinance") of the Municipality adopted by the governing body of the Municipality on June 25, 1984, as amended and supplemented, the Municipality has reserved the privilege of issuing additional obligations secured by a pledge of the Sales Tax on a parity with the aforesaid pledge thereof for the benefit of the Warrants, the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants, subject to the terms, conditions and limitations set forth in the Original Ordinance and the Authorizing Ordinance.

The Warrants are initially issued in Authorized Denominations pursuant to a Book-Entry System to be administered by the Securities Depository and registered in the name of and held by the Securities Depository Nominee, all as more particularly provided in the Authorizing Ordinance. Reference is hereby made to the Authorizing Ordinance for the terms and conditions upon which the purchase, transfer and exchange of beneficial ownership interest in the Warrants are to be made by means of the Book-Entry System administered by the Securities Depository, to and by all of which terms, conditions and provisions of the Authorizing Ordinance the owner of any beneficial interest in the Warrant, by the acquisition hereof, hereby assents and

agrees to be bound. In the event the Book-Entry System for the Warrants is discontinued, Warrants in certificated form in Authorized Denominations will be physically distributed to the Beneficial Owners thereof, the hereinafter described Warrants will be registered in the names of the owners thereof on the registration books of the Depository pertaining thereto, the Depository shall make payments of principal of and interest on the Warrants to the registered owners thereof as provided in the Warrants and the Authorizing Ordinance, and the provisions of this warrant and of the Authorizing Ordinance with respect to registration, transfer and exchange of warrants by the registered owners thereof shall apply.

The Municipality has established in the Authorizing Ordinance a special fund designated "Series 2015-A General Obligation Refunding Warrants Fund" for the payment of the principal of, premium, if any, and interest on the Warrants and has obligated itself to pay or cause to be paid into said Fund from the Sales Tax or other taxes, revenues or other funds of the Municipality sums sufficient to provide for the payment of the principal of, premium, if any, and interest on the Warrants as the same mature and come due.

The Warrants maturing on August 1, 2025 and thereafter shall be subject to redemption, in whole or in \$5,000 multiples, prior to their stated maturities at the option of the Municipality on any date on or after August 1, 2021 at a redemption price for each Warrant (or principal portion thereof) redeemed equal to the principal amount thereof to be redeemed, plus accrued interest to the date fixed for redemption, without premium or penalty.

The Warrants with a stated maturity of August 1, 2018 (the "2018 Term Warrants") are required to be redeemed on August 1, 2016 in the principal amount of \$65,000 and on August 1, 2017 in the principal amount of \$65,000 at a redemption price equal to the respective principal amounts to be redeemed plus accrued interest thereon without premium or penalty. The remainder of the 2018 Term Warrants in the principal amount of \$75,000 shall mature on August 1, 2018.

The Warrants with a stated maturity of August 1, 2021 (the "2021 Term Warrants") are required to be redeemed on August 1, 2019 in the principal amount of \$70,000 and on August 1, 2020 in the principal amount of \$75,000 at a redemption price equal to the respective principal amounts to be redeemed plus accrued interest thereon without premium or penalty. The remainder of the 2021 Term Warrants in the principal amount of \$75,000 shall mature on August 1, 2021.

If the Book-Entry System is in effect, then redemption shall be made as herein described under the Book-Entry Only System and in accordance with the provisions of the Letter of Representation. If less than all of the Warrants are to be redeemed during a period in which the Book-Entry System is in effect for the Warrants, the Municipality shall designate the order and amount of maturities of the Warrants (or portions thereof) to be redeemed not less than 45 nor more than 60 days prior to the redemption date and, in accordance with the Letter of Representation, the Securities Depository may determine the amount of the interest of each Direct Participant in those of such Warrants to be redeemed, on the basis of the smallest Authorized Denomination of such Warrants, by lot or by such other method as the Securities Depository shall deem fair and appropriate. If less than all of the Warrants at the time outstanding are redeemed at the time the Book-Entry System is not in effect, then any optional redemption shall be in such amount and order of maturities as the Municipality shall determine in its sole discretion. In the event that less than all of the principal of the Warrants of a maturity is to be redeemed, the Depository shall assign a number to each \$5,000 principal portion of all of the Warrants of such maturity and shall, by process of random selection based upon such numbers, select the principal portion of Warrants of such maturity to be redeemed. Notice of any intended redemption shall be given by United States registered or certified mail not less than 30 days prior to the proposed redemption date to the registered owner of each Warrant, all or a portion of the principal of which is to be redeemed, at the address thereof as it last appears on the registration books of the Depository pertaining to the Warrants. Notice having been so given and payment of the redemption price duly made or provided,

Warrants (or portions thereof) so called for redemption shall cease to bear interest from and after the redemption date unless default is made in the payment of the redemption price.

The Warrants are issuable only as fully registered Warrants in the denomination of \$5,000 or any integral multiple thereof. Provision is made in the Authorizing Ordinance for the exchange of Warrants for a like aggregate principal amount of Warrants of the same maturity and in authorized denomination, all upon the terms and subject to the conditions set forth in the Authorizing Ordinance with respect thereto.

If the Book-Entry System is not in effect, then the Warrants may be transferred by the registered owner in person or by authorized attorney, only on the books of the Depository and only upon surrender of the Warrant to the Depository for cancellation with a written instrument of transfer acceptable to the Depository executed by the registered owner or his duly authorized attorney, and upon any such transfer, a new Warrant of like tenor shall be issued to the transferee in exchange thereof. Each registered owner, by receiving or accepting this Warrant, shall consent and agree and shall be estopped to deny that insofar as the Municipality and the Depository are concerned, this Warrant may be transferred only in accordance with the provisions of the Authorizing Ordinance.

Provision is made in the Authorizing Ordinance for the replacement of any Warrant which shall be or become mutilated, lost, stolen or destroyed by the issuance, authentication and registration of a new Warrant of like tenor, subject, however, to the terms, conditions and limitations contained in the Authorizing Ordinance with respect thereto.

The Depository shall not be required to transfer or exchange any Warrant during the period of fifteen (15) days next preceding any February 1 or August 1; and in the event that any Warrant (or any principal part thereof) is duly called for redemption and prepayment, the Depository shall not be required to register or transfer any such Warrant during the period of forty-five (45) days next preceding the date fixed for such redemption or prepayment. No charge shall be made for the privilege of transfer, but the registered owner of any Warrant requesting any such transfer shall pay any tax or other governmental charge required to be paid with respect thereto.

It is hereby recited, certified and declared that the indebtedness evidenced and ordered paid by this Warrant is lawfully due without condition, abatement or offset of any description, that this Warrant has been registered in the manner provided by law, that all acts, conditions and things required by the Constitution and laws of the State of Alabama to happen, exist and be performed precedent to and in the execution, registration and issuance of this Warrant, and the adoption of the Authorizing Ordinance have happened, do exist and have been performed as so required and that the principal amount of this Warrant, together with all other indebtedness of the Municipality, are within every debt and other limit prescribed by the Constitution and laws of the State of Alabama.

IN WITNESS WHEREOF, the Municipality has caused this Warrant to be manually executed in its name and on its behalf by its Mayor and manually attested by its City Clerk/Treasurer, who has signed this Warrant and caused its corporate seal to be affixed hereto, and has caused this Warrant to be dated June 1, 2015.

Section 6. Execution of the Warrants, Registration Certificate and Authentication and Registration Certificate.

(a) Each of the Warrants shall be manually executed in the name and on behalf of the Municipality by the Mayor and shall be attested by the City Clerk/Treasurer, and the official seal of the Municipality shall be imprinted thereon. The Warrants shall be registered by the City Clerk/Treasurer of the Municipality, in the records maintained by the said City Clerk/Treasurer, as a claim against the Municipality, the Sales Tax and the Warrant Fund, which registration shall be made simultaneously as to all the Warrants. The certificate of registration on each of the Warrants shall be executed by the City Clerk/Treasurer of the Municipality. Said officers are hereby directed to so execute, attest and register the Warrants. In case any officer whose signature shall appear on the Warrants shall cease to be such officer before the authentication and delivery of such Warrants, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until authentication and delivery.

(b) The Authentication and Registration Certificate on each Warrant shall be manually executed by an authorized officer of the Depository, and each Warrant shall be registered in the name of the owner on the registration books maintained with the Depository. No Warrant shall be valid unless such Warrant has been validly authenticated and registered on said registration books by the Depository.

Section 7. Warrants Are General Obligations.

The indebtedness evidenced and ordered paid by the Warrants shall be a general obligation of the Municipality for the punctual payment of the principal of, premium, if any, and interest on which the full faith, credit and taxing power of the Municipality are hereby irrevocably pledged. The Municipality represents that ad valorem taxes have been levied and hereby covenants and agrees that such taxes will be levied and collected, insofar as such taxes may be permitted by the present or any future provisions of the Constitution of Alabama, on all taxable property in the Municipality, and applied to the maximum extent permitted by law to the payment of the principal of and interest on the Warrants as such principal matures and such interest comes due, in amounts sufficient for such purposes.

Section 8. The Warrant Fund.

(a) There is hereby established a special fund designated the "Series 2015-A General Obligation Refunding Warrants Fund," which shall be held by the Depository as depository for the Warrants, until the principal of, premium, if any, and interest on the Warrants shall have been paid in full or provision for such payment shall have been made as provided in Section 14 hereof. Moneys in the Warrant Fund shall be used solely for the payment of the principal of, premium (if any) and interest on the Warrants. The Municipality shall pay or cause to be paid into the two accounts of the Warrant Fund the following amounts on or before the following dates:

(i) Immediately following the delivery of and payment for the Warrants, the amount received as accrued interest on the Series 2015-A Warrants;

(ii) On or before July 25, 2015, an amount equal to the interest coming due on the Warrants on August 1, 2015;

(iii) On or before January 25, 2016 and on or before the 25th day of each January and July thereafter, to and including July 25, 2030, an amount equal to the interest coming due on the Warrants on the next ensuing interest payment date; and

(iv) On or before July 25, 2015 and on or before the 25th day of each July thereafter, to and including July 25, 2030, an amount equal to the principal coming due on the Warrants on the next principal payment or mandatory redemption date.

(b) If on any principal or interest payment date the balance in the Warrant Fund is insufficient to pay the principal of, premium, if any, and interest on the Warrants due and payable on such date, the Municipality shall forthwith pay any such deficiency into the Warrant Fund.

(c) The Municipality and the Depository shall cause all money deposited in the Warrant Fund to be applied to the payment of principal or interest on the Warrants within thirteen months from the date of such deposit and shall cause all income and profits received from the investment of money in the Warrant Fund to be applied to the payment of principal or interest on the Warrants within twelve months from the date of receipt of such income or profits.

(d) Income and profits received from any investment of money in the Warrant Fund shall be credited against the deposit next required to be made into the Warrant Fund.

Section 9. Pledge of Sales Tax.

(a) There is hereby appropriated and ordered segregated and the Municipality hereby irrevocably pledges, on a parity of lien with the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants, to the punctual payment of the principal of, premium, if any, and interest on the Warrants, so much as may be necessary of the proceeds of the Sales Tax. The Municipality hereby covenants and agrees, so long as any of the Warrants are outstanding, as a part of the contract whereunder the money is borrowed and the Warrants issued, to continue to levy and collect the Sales Tax, to pay into the Warrant Fund, and to apply to the payment of the principal and interest on the Warrants, on a parity of lien with the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants, the proceeds of the Sales Tax so pledged. The Municipality represents that upon the issuance of the Warrants there will be no lien, encumbrance, pledge or assignment on or of the proceeds of the Sales Tax except for the benefit of the Warrants, the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants.

(b) The Municipality does hereby covenant and agree that, except as otherwise provided in Section 8 of the Original Ordinance and in Section 15 hereof with respect to the issuance of Parity Obligations, the Sales Tax shall not hereafter be pledged by it to the payment of any other obligation or obligations of the Municipality unless such pledge or pledges are made subject to and subordinate in all respects to the respective pledges of the Sales Tax herein made for the benefit of the Warrants, the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants.

Section 10. Transfer of Funds.

(a) The City Clerk/Treasurer of the Municipality shall collect the proceeds of the Sales Tax and deposit the same in the Warrant Fund in the amounts and at the times that deposits are required by this ordinance to be made into said Fund.

(b) In the event that the proceeds of the Sales Tax shall not be sufficient to pay the principal of, premium, if any, and interest on the Warrants and to make the deposits into the Warrant Fund in the amounts

and at the times required by this ordinance, the Municipality further covenants and agrees promptly to make up such deficiency from other revenues, income, taxes, assets and resources of the Municipality, and the City Clerk/Treasurer of the Municipality shall promptly deposit into the Warrant Fund from the aforesaid sources all amounts required to make up such deficiency.

Section 11. Security for Warrant Fund.

The money at any time on deposit in the Warrant Fund shall be and at all times remain public funds impressed with a trust for the purpose for which the Warrant Fund is created. The Depository shall at all times keep the money on deposit with it in such Fund continuously secured for the benefit of the Municipality and the registered owners of the Warrants either

(a) by holding on deposit as collateral security Government Obligations having a market value (exclusive of accrued interest) not less than the amount of money on deposit in the Warrant Fund, or

(b) if the furnishing of security in the manner provided in the foregoing clause (a) is not permitted by the then applicable laws and regulations, then in such manner as may be required or permitted by the applicable State of Alabama and Federal laws and regulations respecting the security for or granting a preference in the case of the deposit of public trust funds; provided, however, that it shall not be necessary for the Depository so to secure (i) any portion of the money on deposit in the Warrant Fund that may be insured by the Federal Deposit Insurance Corporation or by any agency of the United States of America that may succeed to its functions, or (ii) any portion of the money on deposit in such Fund that may be invested as provided in Section 12.

Section 12. Investment of Money in Warrant Fund.

The Municipality may cause any money on deposit in the Warrant Fund not then needed for the payment of principal of or interest on the Warrants to be invested or reinvested by the Depository at the written direction of the Municipality in Qualified Investments. The Depository shall not be held liable or responsible for any loss resulting from any such investments. All such investments must mature or be subject to redemption at the option of the holder on or prior to the respective date or dates when cash funds will be required for the purposes of such Fund. Any such investments shall be held by or under control of the Depository. All interest accruing on such investments and any profit realized therefrom shall be deposited in the Warrant Fund. Any losses resulting from liquidation of investments shall be charged to the Warrant Fund and shall be added to the next ensuing deposit specified herein. The Depository shall sell and reduce to cash a sufficient portion of such investments whenever the cash balance in the Warrant Fund is insufficient to pay the principal and interest requirements on the Warrants.

Section 13. Depository for the Warrant Fund.

(a) The Municipality does hereby designate and appoint The Bank of New York Mellon Trust Company, N.A. as the Depository for the Warrants.

(b) The Depository, by acceptance of its duties hereunder, shall have undertaken to perform only such duties as are specifically set forth in this Authorizing Ordinance and no implied covenants or obligations shall be read in this Authorizing Ordinance against the Depository. The Depository is not required to risk or expend its own funds in the performance of its duties hereunder.

(c) The Depository, by acceptance of its duties hereunder, shall be construed to have agreed thereby with the registered owners from time to time of the Warrants that it will make all remittances of

principal of and interest on the Warrants from money supplied by the Municipality for such purpose in bankable funds at par and without discount or deduction for exchange, fees or expenses. The Municipality hereby covenants and agrees with the registered owners of the Series 2014-A Warrants and with the Depository that it will pay all charges for exchange, fees or expenses which may be incurred by the Depository in the making of remittances in bankable funds at par.

(d) The Depository may resign and be discharged of all duties imposed upon it as Depository, Warrant Registrar and transfer agent by giving written notice of such resignation by certified or registered mail to the Municipality at least thirty (30) days prior to the date when such resignation shall take effect.

(e) If at any time the Depository shall resign or be or become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Depository or of its property shall be appointed or any public officer shall take charge or control of the Depository or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Municipality may remove the Depository and the Municipality shall promptly appoint a successor Depository.

(f) Any successor Depository shall be a bank or trust company authorized to act as Depository and Warrant Registrar and having, at the time of its acceptance of such appointment, combined capital and surplus of at least \$50,000,000.

(g) Every successor Depository appointed hereunder shall execute, acknowledge and deliver to the Municipality and to the retiring Depository an instrument accepting such appointment and thereupon the resignation or removal of the retiring Depository shall become effective and such successor Depository, without any further act, deed or conveyance, shall become vested with all the rights, powers, and duties of the retiring Depository.

(h) Any corporation into which the Depository may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Depository shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Depository, shall be the successor of the Depository hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Warrants shall have been authenticated, but not delivered, by the Depository then in office, any successor by merger or consolidation to such authenticating Depository may adopt such authentication and deliver the Warrants so authenticated with the same effect as if such successor Depository had itself authenticated such Warrants.

Section 14. Provision for Payment of Warrants; Termination of Pledge of Sales Tax.

(a) The Warrants shall be deemed fully paid for purposes of this ordinance if:

(i) The Municipality shall have filed with the Depository a fully executed copy of an irrevocable trust agreement between the Municipality and a banking institution with a designated office in the State of Alabama making provision for the retirement of the Warrants by creating for that purpose a trust fund sufficient to provide for payment and retirement of the Warrants then outstanding (including payment of the interest that will mature thereon until and on the dates they are retired, as such interest becomes due and payable, and the premium, if any, required to be paid upon the redemption of the Warrants, if any, being redeemed), either by redemption prior to their respective maturities, by payment at their respective maturities, or by payment of part thereof at their respective maturities and redemption of the remainder prior to their respective maturities, which trust fund shall consist of (A) Government Obligations which are not subject to redemption prior to their respective maturities at the option of the Municipality and which, if the principal thereof and the interest thereon

are paid at their respective maturities, will produce funds sufficient so to provide for payment and retirement of such Warrants, or (B) both cash and such Government Obligations which together will produce funds sufficient for such purpose, or (C) cash sufficient for such purpose; and

(ii) Such notice as is required hereunder for the redemption of those Warrants (if any) that, according to such trust agreement, are to be redeemed prior to their respective maturities has been given or provisions satisfactory to the Depository have been made for the giving of such notice.

(b) Any money on deposit in the Warrant Fund (to the extent that such money is not required for the payment of the principal of, premium, if any, and interest on the Warrants previously becoming due and payable, or is not otherwise unavailable for the following use) may at the direction of the Municipality be transferred to and constitute a part of the trust fund created pursuant to the aforesaid trust agreement providing for the retirement of the Warrants.

(c) When the Warrants shall have been paid in full, or shall be deemed paid within the meaning of this section, the pledge of the Sales Tax to the payment of the Warrants shall be terminated and released.

Section 15. Authorization of Parity Obligations; Subsequent Pledge of Sales Tax.

So long as the Municipality is not in default hereunder or under the Series 2014 Warrants Authorizing Ordinances or the Series 2015 Warrants Authorizing Ordinances, other bonds, warrants or obligations ("Parity Obligations") without limit as to aggregate principal amount, payable from and secured by a pledge of the Sales Tax equally and ratably with the Warrants, the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants, may at any time and from time to time be issued, sold and delivered by the Municipality for any lawful purpose, upon satisfaction of the Parity Ordinance and the following conditions:

(a) The governing body of the Municipality shall have adopted an ordinance or ordinances reciting that the Municipality is not at the time in default hereunder or under the Series 2014 Warrants Authorizing Ordinance and the Series 2015 Warrants Authorizing Ordinances and that no such defaults are imminent, authorizing the issuance, execution, sale and delivery of such Parity Obligations, and setting forth the date thereof, the date or dates of maturity, the rate or rates of interest, the dates of payment thereof, the maximum aggregate principal amount of such Parity Obligations, the redemption provisions, if any, the text of the form of the Parity Obligations, and a brief description of the facilities, if any, that will be constructed or acquired with the proceeds thereof or that have been financed by other obligations of, or assumed by, the Municipality being refunded by the Parity Obligations proposed to be issued. Any such ordinance or ordinances may contain any other or additional statements, materials, provisions, covenants and agreements which the governing body of the Municipality shall elect to include therein.

(b) An Independent Auditor (as defined in the Original Ordinance) shall have filed in the office of the City Clerk/Treasurer a certificate stating that the proceeds of the Sales Tax received by the Municipality during the fiscal year next preceding the fiscal year in which such Parity Obligations are proposed to be issued are not less than 125% of the maximum annual principal and interest that will mature during any then succeeding fiscal year with respect to the Warrants, the Series 2014 Warrants, the Series 2015-B Warrants, the Series 2015-C Warrants, any other Parity Obligations then outstanding, and the Parity Obligations then proposed to be issued. For purposes of this calculation, the principal amount of any Warrants, Series 2014 Warrants, Series 2015-B Warrants and Series 2015-C Warrants subject to a mandatory redemption requirement during such fiscal year shall be considered as maturing in the year during which such redemption is required and not in the fiscal year in which their stated maturity occurs.

(c) There has been deposited with the Municipality the opinion of nationally recognized bond counsel that the Parity Obligations proposed to be issued, when issued, will be secured, by a valid pledge of the Sales Tax equally and ratably and on a parity of lien with the pledge of the Sales Tax for the benefit of the Warrants, the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants.

Except as provided above for the issuance of Parity Obligations, the Municipality covenants and agrees that the Sales Tax shall not hereafter be pledged by it to the payment of any other obligation or obligations of the Municipality unless such pledge or pledges are made subject to and subordinate in all respects to the pledge of the Sales Tax for the benefit of the Warrants, the Series 2014 Warrants, the Series 2015-B Warrants and the Series 2015-C Warrants.

Section 16. Expenses of Collection; Interest After Maturity.

The Municipality covenants and agrees that, if the principal of and interest on the Warrants are not paid promptly as such principal and interest matures and comes due, it will pay to the registered owners of the Warrants all expenses incident to the collection of any unpaid portion thereof, including a reasonable attorneys' fee. The Warrants shall bear interest at the rate of 2% per annum or the maximum rate of interest allowed by law, whichever is less, from and after the respective maturity or due dates thereof, if not then paid.

Section 17. Sale and Delivery of Warrants; Closing Papers.

The Warrants are hereby sold to Joe Jolly & Co., Inc., upon the payment to the Municipality of the purchase price of \$8,273,488.65 (representing the principal amount of \$8,515,000 less an underwriting discount of \$106,437.50 and less a net original issue discount of \$135,073.85) plus accrued interest to the date of delivery.

The City Council has determined that the sale of the Warrants to such purchaser on such terms is most advantageous to the Municipality. The Warrants shall be delivered to such purchaser upon the payment to the Municipality of the aforesaid purchase price. The Mayor and the City Clerk/Treasurer, or either of them, are hereby authorized and directed to effect such delivery and in connection therewith to deliver such closing papers, documents and contracts (including a Non-Arbitrage Certificate and United States Treasury Form 8038-G) containing such representations as are required to demonstrate: the legality and validity of the Warrants and the pledge of the Sales Tax thereto as herein provided; the exemption of interest on the Warrants from Federal and State of Alabama income taxation; and the absence of pending or threatened litigation with respect to any of such matters. The City Clerk/Treasurer shall give a receipt to the said purchaser for the purchase price paid, and such receipt shall be full acquittal to the said purchaser and the said purchaser shall not be required to see to, or be responsible for, the application of the proceeds of the Warrants. Nevertheless, the proceeds of the Warrants shall be held in trust and applied solely for the purposes specified in this ordinance.

Section 18. Application of Proceeds.

The proceeds from the sale of the Warrants shall be applied as follows:

(a) The Accrued Interest of \$11,606.28 shall be deposited in the Series 2015-A Warrant Fund, which the Depository is hereby authorized to establish, and applied to the first interest payment on the Warrants due on August 1, 2015.

(b) \$5,432,840.56 shall be deposited in the Series 2006-A Warrant Fund, along with the sum of \$276,881.32 deposited therein from the proceeds of the Series 2015-B Warrants issued simultaneously

herewith, and applied in the combined amount of \$5,709,721.88 to the current refunding and redemption on August 1, 2015 of the Series 2006-A Warrants.

(c) \$2,840,648.09 shall be deposited in the Series 2006-B Warrant Fund, along with the sum of \$144,808.17 deposited therein from the proceeds of the Series 2015-B Warrants issued simultaneously herewith, and applied in the combined amount of \$2,985,456.26 to the current refunding and redemption on August 1, 2015 of the Series 2006-B Warrants.

Section 19. Covenant With Respect to Tax Exemption for Interest.

The Municipality hereby covenants and agrees with the registered owners from time to time of the Warrants that the proceeds of the Warrants shall not be used or applied by it, and the taxes or other revenues of the Municipality shall not be accumulated in the Warrant Fund in such a manner and no investment thereof shall be made, as to cause the Warrants to be or become "arbitrage bonds", as that term is defined in Section 148 of the Code.

With respect to the Code, the Municipality does hereby make the following representations and covenants:

(a) None of the proceeds of the Warrants will be applied for any "private business use" nor will any part of the proceeds of the Warrants be used (directly or indirectly) to make or finance loans to persons other than a governmental unit.

(b) The payment of the principal of and interest on the Warrants is not (i) secured in any way by any property used or to be used for a "private business use" or by payments in respect of such property or (ii) to be derived from payments (whether or not to the Municipality) in respect of property, or borrowed money, used or to be used for a "private business use."

(c) The Municipality hereby covenants and agrees with the registered owners of the Warrants that, to the extent permitted by law, it will not take any action, or omit to take any action with respect to the Warrants that would cause the interest on the Warrants not to be and remain excludable from gross income pursuant to the provisions of Section 103 of the Code.

(d) The Municipality will make no use of the proceeds of the Warrants that would cause the Warrants to be or become "arbitrage bonds" under Section 148 of the Code.

(e) The Municipality will comply with the requirements of Section 148(f) of the Code with respect to any required rebate to the United States.

(g) Pursuant to Section 2(g) herein, the Municipality has deemed a \$5,590,000 portion of the Warrants as "designated" as "qualified tax-exempt obligations" under Section 265(b)(3)(D)(ii) of the Code because (1) the amount of the Warrants applicable to the current refunding of the Series 2006-A Warrants does not exceed the amount of Series 2006-A Warrants being refunded, (2) the average maturity date of the Warrants is not later than the average maturity date of the Series 2006-A Warrants and (3) the Warrants have a final maturity date which is not later than 30 years after the date on which the Series 2006-A Warrants were

The provisions of this ordinance are severable. In the event that any one or more of such provisions or the provisions of the Warrants shall, for any reason, be held illegal or invalid, such illegality or invalidity shall not affect the other provisions of this ordinance or of the Warrants, and this ordinance and the Warrants shall be construed and enforced as if such illegal or invalid provision had not been contained herein or therein.
