## Addendum 001

Date: January 20, 2026

BID: 001-26

BID Name: Fencing and Landscaping at Nathan Estates Retention Pond

Open Date: January 29, 2026

Time: 11:00 a.m.

The following amendments and clarifications are being made to the referenced bid:

- Purpose of ITB: The purpose of the ITB is to solicit bids from responsive and responsible bidders for fencing and landscaping at the Nathan Estates retention pond.
- Specifications are included.
- All bidders are advised that, pursuant to Alabama Code § 34-8 (1975), evidence of a current Alabama contractor license must be provided, and the bidder's license number must appear on the sealed bid.
- Bidders must indicate on the sealed bid either (a) a current Alabama contractor's license number or (b) a statement that a contractor's license is not required for this project. Failure to do so will result in rejection of the bid as non-responsive.
- Complete the attached forms and add them inside your sealed mailing container.
- Current gate opening is 16-ft – to be replaced with a rolling gate.
- Double gate size for north end: 16-ft opening.
- If you would like to schedule to see the project property, please leave a message for Ken Gresham, Storm Drainage Manager, at 256-386-9204.

If you have any questions, please contact me at City Hall.
